## From Barsheni to Kheerganga

The Barsheni, which is located on the bank of the Parvati River, is the starting point for the trek to Kheerganga. Once you have arrived in Barsheni, you will begin your trekking journey. The journey begins with a walk through dense pine trees, and then all of a sudden, the environment transforms into farms and towns as soon as you pass an iron bridge over a rushing torrent. You make your way through the Himalayan Valleys, which are known for their breathtaking scenery, on your approach to your hike. As you continue your journey from Kasol to Kheerhanga, you will come across a number of waterfalls. To a later time, you arrive to Rudra Nag and make a little stop to take in the breathtaking scenery and snap pictures of it. During this trek, you will get the chance to engage in conversation with the locals and gain an understanding of their way of life as well as their culture. After you have arrived at Kheerganga. Everyone finds themselves drawn to the beautiful wildflowers as well as the enormous oaks and deodar trees. In the evening, before retiring to your tents for the night, you should take part in a musical performance that is both entertaining and informative.

*Day 2:*

## **From Kheerganga to Barsheni**

The wake-up call is at 6:30 in the morning. Get the day started off well by taking a plunge in the natural hot springs that are located in the Parvati Kund. While you are unwinding in the soothing waters of the Kund, take in the breathtaking panorama of the verdant slopes of the Parvati Valley and the aroma of the forest that lingers fragrantly in the air. Once we have finished our meal, we will begin our journey back to Barsheni. At this time, upon arrival, you will have the opportunity to sightseeing Tosh.
