

Overview

Incomparison to the other treks in the Uttarakhand, the Brahmatal trek is the one that omesthe most highly recommended. It also takes you through some breathtaking indiscapes. Because it does not need an excessive amount of time or any previous spertise with trekking, it is ideal for everyone who is just starting out in the world of trekking of backpacking. As you make your way through the breathtaking scenery of Himachal Pradesh, you will be offered the opportunity to take in the breathtaking wonders of nature. On the path, you may encounter a few wooden bridges as well as some areas that are slippery. While you are on this portion of the Kheerganga walk from Kasol, your eyes will also be treated to a number of breathtaking waterfalls; be sure to capture photographs of each and every one of these spectacular waterfalls.
